

Pokini Tab FS12L

Celeron 5100, 8GB, 128GB, Dig, GPS, W11 IoT

The winner in affordable Quality

The Pokini FS12L is our 12-inch all-rounder and impresses above all with its large display with Gorilla® glass, the drop-proof housing shell and the water-resistant interfaces protected with rubber caps. With solid computing power and the optional integrated barcode scanner and LTE/5G, the FS12L is a true all-rounder and can be used as an HMI solution (human-machine interface) or PDA terminal (store floor data collection). As a Windows-based tablet, it can be integrated into a wide variety of working environments.

Highlights

- + Optional Barcodescanner, NFC and 4G/5G
- + Large display
- + Available until 2026
- + VESA 100

Pokini Tab FS12L

Celeron 5100, 8GB, 128GB, Dig, GPS, W11 IoT

Technical data
