Pokini Tab C11

8GB, 256GB, LTE, Win 11 IoT

Our robust convertible

The Pokini Tab C11 combines the computing power of a modern notebook with the flexibility of a tablet PC and is also particularly robust. The 11.6" semi-ruggedized convertible with IPS multi-touch display and stylus is water-repellent and dustproof. With the 360 degree rotatable display, the C11 can be transformed into a compact tablet in a matter of seconds, despite its protective magnesium casing.

Highlights

- + Elegant 2-in-1 360° convertible
- + Touch display with Palm Rejection and MPP2.0
- + Interface covers
- + IP54
- + Energy-saving hardware
- + Available until 2026
