

# Pokini Tab K10C

## 8GB, 128GB, Win 11 Pro

### The Pro Tablet for Real Professionals.

The K10C is the ideal device for the workplace of tomorrow. With its powerful Intel Core i5-1335UE CPU, it delivers the necessary performance for demanding applications and ensures high flexibility in use. Additionally, the 5G support enables lightning-fast, reliable mobile communication, no matter where you are. The advanced touch technology prevents unintended inputs, whether from palms, water mist, or raindrops. The 1,000 Nits bright Hyper-Dimm display ensures excellent readability both indoors and outdoors. Thanks to the robust IP65 protection rating and additional expansion options such as UHF-RFID, Smart-Card-Reader and 2D barcode reader, the K110C is the perfect companion for demanding work environments.

### Highlights

- + Optimized as a companion for both indoor and outdoor environments
- + 5G connectivity optional
- + Dual pass-through WLAN, GNSS, and WWAN
- + Demanding computing performance
- + Available long-term until 2028
